## COVID 19 Precautions

- All racers/volunteers/spectators must carry a mask with them to use in a situation where physical distancing cannot occur. Masks are required while accessing building facilities.
- Where possible, consider giving yourself and each other 2 metres of distance.
- All participants must complete the Alberta Health Safety Checklist before taking part. AHS Daily covid-19 [Checklist](#).
- Anyone who has been in recent contact with someone with symptoms of COVID-19 may not participate or attend any events.
- Please stay at home if you are experiencing symptoms of COVID-19.
- Riders must wear masks before approaching and while interacting with staff, race officials and volunteers if they cannot maintain a minimum 2m distance.
- All riders and volunteers must bring their own food and drinks.
- Failure to comply with AHS/ABA regulations and/or the instructions of an official will result in removal from the event and may result in further sanctions, penalties or fines.

These precautions are in place to protect all participants and officials as everyone has a different level of risk and comfort as we progress to a back to near normal race year. We hope these guidelines will help to alleviate concerns and/or differing opinions around stages of protection from the current pandemic.

This event will be run in accordance with ABA/CCC/UCI Cycling regulations. Riders are responsible for knowing and understanding these regulations.

The ABA complies with and fully supports the UCI anti-doping regulations, the clauses of the World Anti-doping Code and its international Standards to which the UCI anti-doping regulation refer and to the anti-doping regulations of other competent bodies as per the regulations of the UCI.

Elite Men, Expert men and Open Women and Sport Men racers may only ride cyclocross bikes. Novice Men and Sport Women Racers can use cyclocross or mountain bikes.
