

Castrol Raceway Crit

Nostalgic for the old Tuesday Night Race Series?!

Looking for bragging rights amongst your cycling friends?!

Want to race on perfectly paved roads with no vehicles?!

Castrol Raceway is offering a unique opportunity to come out and race on their 2.7 km road race course. The course will be divided into two separate courses (each approximately 1.1km in length) so that two races can be held simultaneously without the inter-mixing of groups.

The event is open to all members of the Alberta cycling community that hold a valid membership with an Alberta Bicycle Association registered cycling club (note: You do not have to be an ABA licensed racer – just a member of an ABA registered cycling club).

For those familiar with the Alberta Spring Race Series, we will run similar groups (A, B, C) with riders responsible for their own seeding. There will also be a race for the juniors.
