Alberta Cup – Points updating

- 5.2.1 Alberta Cup points will be updated once per week, between Tuesday and Thursday. *(Call-up at a Sunday or Monday race will not reflect results from previous races held that same weekend.)*

Tie-breaking Procedure

- 5.2.2 Tie-breaking Procedure
Any ties occurring in the Alberta Cyclo-cross Cup standings will be broken by performance at the final race of the Series.

5.3 Cyclo-cross Upgrading

- a) For purposes of upgrading, riders may present Alberta Cyclo-cross Cup points only from placings among the top-six riders.
- b) Riders in the **Novice Men** category will be upgraded to **Sport Men** upon accumulating, over the course of two consecutive seasons, ~~100 Alberta Cyclo-cross Cup points.~~
- c) Riders in the **Sport Men** category will be upgraded to the **Expert Men** category upon accumulating, over the course of two consecutive seasons, ~~120 Alberta Cyclo-cross Cup points.~~
- d) Riders in the **Sport Women** category will be upgraded to the **Open Women** category on the basis of top 3 placings. One of the following combinations of results must be achieved over the course of two consecutive seasons: 2 wins; 1 win plus 2 other top 3 placings; or 5 top 3 placings.
- e) Riders in the **Expert Men** category will be upgraded to the **Open Men** category on the basis of top 3 placings. One of the following combinations of results must be achieved over the course of two consecutive seasons: 2 wins; 1 win plus 2 other top 3 placings; or 5 top 3 placings.
- b) Riders will be upgraded by either earning 15 points or 2 wins

ALBERTA BICYCLE ASSOCIATION – PROVINCIAL RACING REGULATIONS

Master riders

- 5.3.1** Master riders retain the option of declining an upgrade provided they have not earned such upgrade over the course of one season. Upgraded Master riders aged 40 or greater may revert to their previous category the following season.

Youth and Junior Women

- 5.3.2** Junior-aged riders may upgrade to Open Women based on results earned per 5.3-d. Riders of Youth-age and younger, however, will not be upgraded to the Open Women category based on points. Rather, such athletes will be upgraded at the discretion of the Racing Committee.

Youth and Junior Men

- 5.3.3** Junior-aged riders and those younger may upgrade to Expert based on points earned per 5.3-c. Youth riders will not, however, be upgraded to the Open Men category based on points. Rather, such athletes will be upgraded at the discretion of the Racing Committee.

Non-transferability of upgrades

- 5.3.4** Once a rider has begun racing in a Cyclo-cross category, they may only upgrade based on Cyclo-cross results regardless of upgrades in Road or MTB categories.

Out-of-Province results

- 5.3.5** Riders may submit, for upgrading purposes, no more than two results from out-of-province races provided such races are sanctioned at a Provincial Cup level. Points will be awarded per ABA Schedule B (ABA General Regulations - 1.5.2).

5.4 Equipment

Bicycles – Alberta Cup

- 5.4.1** Cyclo-cross bicycles must be used in the following categories: Sport Men, Expert Men, Open Men, and Open Women. The use of mountain bikes is permitted in other categories.

5.5 Racing Procedures

Call-Up – Alberta Cup

ALBERTA BICYCLE ASSOCIATION – PROVINCIAL RACING REGULATIONS

- 5.5.1** Eight riders per race will be called up at each Alberta Cup event in all categories except Novice Men. Call-up will be based upon current UCI standing followed by current Alberta Cup standing.

Multi-category races

- 5.5.2** The following categories may compete on a course at the same time, provided the total number of riders on course does not exceed either 60 (courses longer than 2500 metres) or 50 (courses between 2000 metres and 2499 metres):

Novice Men and Sport Men

Sport Women and Open Women

In instances of multi-category races, the Chief Commissaire will determine the start-gap between the two categories.

5.6 Course

To the greatest extent possible, courses used for Alberta Cup events must conform to UCI Regulations. Any deviations from UCI requirements must be approved by the Chief Commissaire and/or Technical Delegate.
