

Eagle Point Cross

Update - Eagle Point Cross

Hi folks. I'm sending out an appeal to all those who are considering signing up for the Eagle Point Cross race on Saturday - but holding off until the last minute to register. Please go ahead and sign up as soon as possible. I've talked to a number of folks who have indicated they are planning to attend, but as yet have not signed up. I suspect people are noting the low registration numbers, and holding off.

As long as we have at least 20 racers signed up by Friday noon, we will proceed with the race. **If we are forced to cancel due to low registration numbers, please note that we will refund your entry fees,** so you're not taking any risk by signing up now.

The weather looks promising, and trails are in great condition. We've organized a good event, and I'm confident that you won't be disappointed. Thanks for your support.
