Sign-On/License check: Sign-on begins at 8:15am and closes ten (10) minutes before each event. Riders will be required to show their valid ABA, or equivalent, race license in order to compete.

Race Numbers: If you have already received your 2018 ABA numbers, please wear them for this race. If this is your first ABA race, you will be assigned your race numbers here. A gentle reminder that failing to bring your personal race numbers – should you have them – is a \$10 replacement cost. Please ensure that you have your numbers well before your start time.

Sign-on is located in the SE corner of the PCL parking lot.

Courses and Location:

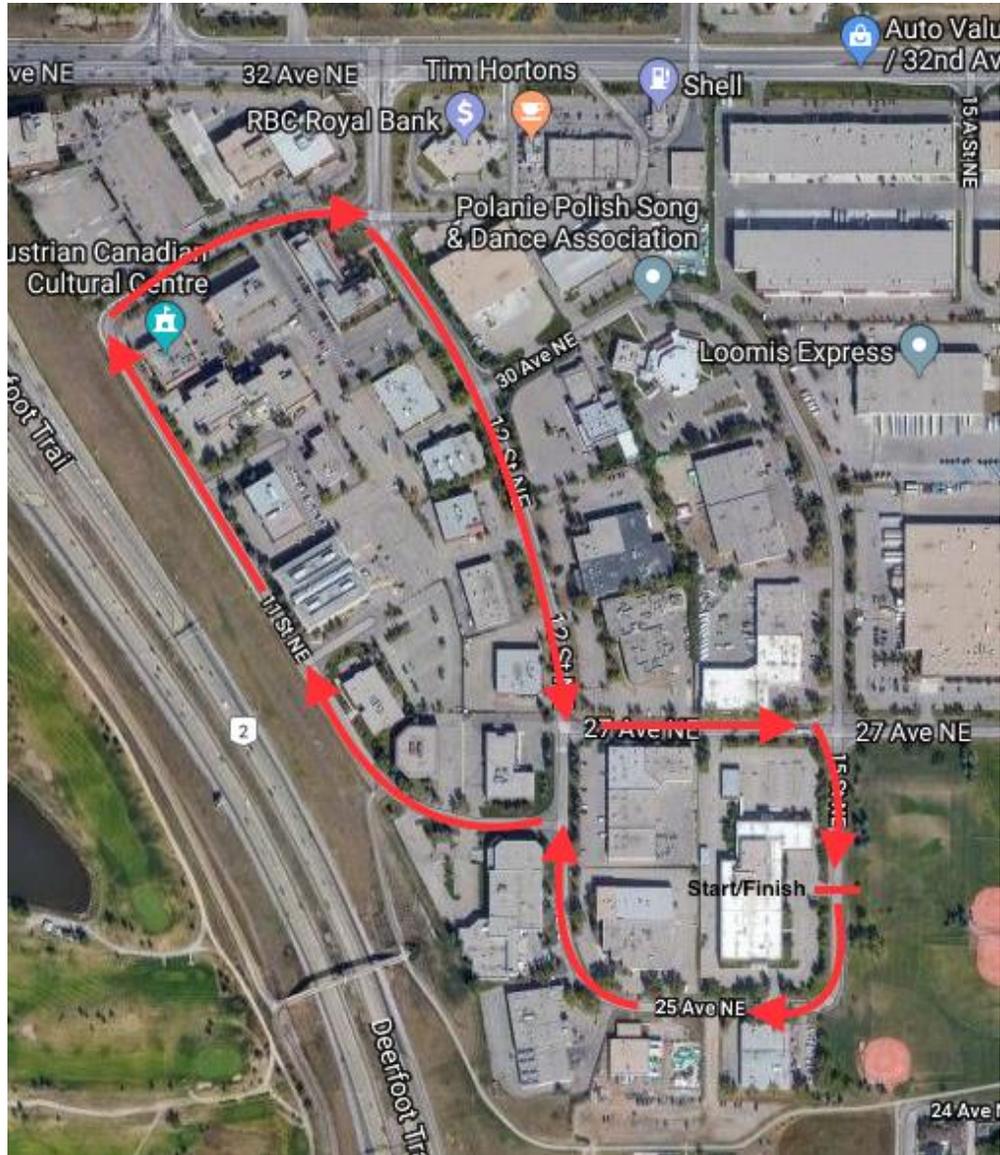

The courses are located in northeast Calgary east off Highway 2 in the Airways Industrial Park.

Directions: Exit east from Deerfoot Trail at 32 Ave NE, then take your first right at 12th Street NE. Follow the detour at 30th Ave NE. This will sweep right and change to 15th Street NE. The Start/Finish is located on 15th Street NE south of 27th Ave NE.

Parking: There is street parking available in the surrounding area, as well as a public parking lot on the corner of 16th Street and 27th Avenue NE. DO NOT park in office parking lots, unless otherwise specified. Obey all parking and traffic signage.

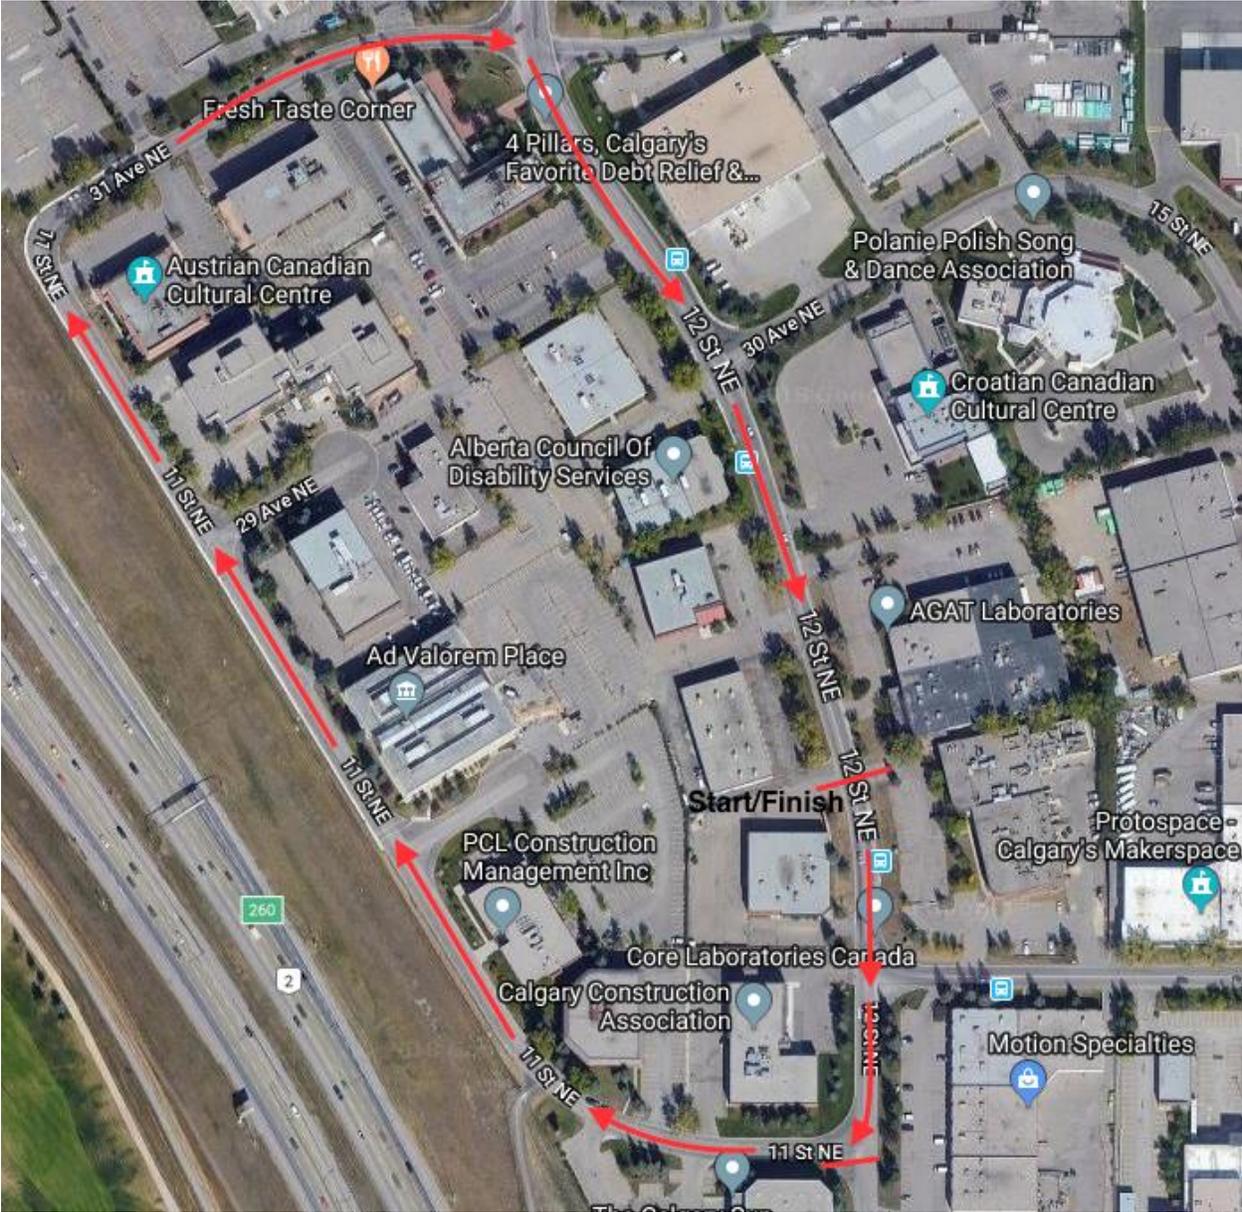

Courses:

Saturday, July 21st - The Showdown p/b Tool Shed Brewing (Scratch Race)

It's not steep and it's not long, but to stay in this one you're going to have to make a wager on Ante-Up Hill every lap. In the end, when all bets are on the table, and only the most steadfast remain – Showdown!

Sunday, July 22nd – No-Limit Crit p/b 4iiii (Scratch Race)

What's in your hand? Four-of-a-kind? Straight flush? Sunday's course is flatter and faster; so, if you've got the right cards in your hand, then there is no limit to what you can lay down.

Sign-on and Tents:

The total tent area is limited by city bylaws to 642 sq.ft. Accordingly, we can only accommodate five (5) 10'x10' tents in the w/u areas. If you are going to be setting

up a tent, please email watts.iant@gmail.com. The first five respondents will be allotted tent space in the warm-up area.

How to Race on Zwift

If you're brand new to Zwift, here are instructions of [how to get started](#).

For this race, you must have a true power meter or smart trainer, and a heart rate monitor or else your results will not be eligible.

If you've never joined a Zwift event before, please [read this article](#).

This race will be categorized "E" for everyone, and results will be internally sorted out by ABA category. To help with that, append your ABA category to your last name, one of the following:

- M12, M3, M4, M5, W123, W45
- for eg: PAAUWE_PelotonRacing_M12

We will have two start time options to accommodate folks that are travelling to Calgary Friday afternoon; please find the time that works best for you.

Time trials in Zwift have everyone starting at the same time, but you will be automatically setup on the TT Bike (you can choose your own wheels). You can see the other riders on the road, but drafting is disabled in the game.

Given there are two start times, you will have to wait for us to post the official results on the Facebook event page.

Ride On!
