Regulations

This event will be run under UCI, CCC & ABA Race Regulations. Riders are responsible to read and understand these regulations. They can be found [here](#). As is commonly not practiced, there will be no inspection of Junior and U17 gears.

Anti-Doping

The ABA complies with and fully supports the UCI anti-doping regulations, the clauses of the World Anti-doping Code and its international Standards to which the UCI anti-doping regulations refer and to the anti-doping regulations of other competent bodies per the regulations of the UCI.

Course

Twp Road 290 west, Range Road 34A/35A northwest, Twp Road 292 east, Range Road 30 south. The race will run in a clockwise direction. One lap of the course is approximately 24 km. Race groups will assemble on RR 30, north of Twp Road 290.

Start: First group 11:00 am, subsequent groups at 5 minute intervals. Start from intersection of Twp Road 290 and Range Road 30.

Finish: On H766, approximately 300 m south of Twp Road 292. No parking at the finish line (except for race officials).

Approximate Course Profile: The dark shaded portion is the loop from Start to Start, the lightly shaded portion on the right is the finishing stretch from the Start and then up H766.

Feed Zone: Marked by signs on Township Road 290 east of Range Road 32. Feed zone is open after 2 laps. This is NOT neutral support. This is where your friends, coaches and partners stand to hand you food/water. Accept from the shoulder on the right hand side of the road and safely toss your empty bottles. DON'T LITTER THE COURSE.

Event Staff: Course Marshalls will be stationed at corners and intersections and will be wearing reflective vests and holding signs. It is each rider's responsibility to know and follow the race course. The roads will not be closed to traffic.

Event Vehicles

Commissaire Vehicles: During the race you may hear a few quick honks of the horn from the Commissaire Vehicle. This means that following traffic is trying to pass. Please ride safe and obey centre-line rule.

Wheel Vehicles: There will be one wheel car per group (if sufficient volunteers) to carry spare wheels. The rule is wheel in/wheel out until the car is full, then wheels become neutral; to be announced by the commissaire at the start of the race. If wheels are NOT neutral, and you didn't put a wheel in, do NOT take a wheel. The wheel vehicle will service you from behind on the right side of the road and you are responsible for changing your own wheel. You will not get

any drafting to help you back to the group. If the wheel vehicle passes you, you must stay to the right and obey all traffic signs and laws. If another group catches up to you, you cannot ride or work with the group or be involved in the final sprint.

Wheel vehicles will also work as broom vehicles depending on their capacity to carry bikes.

Refreshments

Post-race meal for all volunteers and riders will be BBQ Beef on a Kaiser from All Beef Catering.

Awards

Awards will be held post-race at the Madden Community Hall. Note cool down return ride to Madden Hall puts you back on course. So don't interfere with ongoing races.

Protests must be made to the Chief Commissaire within 15 minutes of results being posted at the event.

No cash prizes.

Any race profit will be donated to the ABA Race Team (Not general funds, into the race team. We want the ABA van to be full of athletes to every race). Championship medals will be awarded to the podium in all age categories, plus a gift to the Elite podiums and Pedalhead gift cards to the Junior and U17 podiums.

Draw prizes are from Pedalhead Bicycle Works.
