# About the 2018 Race

United in Cross will be held on October 13, 2018 at Voyageur Park in Devon, Alberta.

This year's United in Cross is a little different....we've changed up the race order. The race order was shuffled to allow the Open Men and Open Women categories to be showcased in the mid-afternoon. These are some of the best 'cross-racers in the Province and will put on a show! Be sure to stick around and watch the fastest CX racing there is!

If you have any questions or comments, please contact us at [unitedincross@gmail.com](mailto:unitedincross@gmail.com) Up to a week before race date, we'll monitor this account about every 48 hours.

Check out the United Sport and Cycle coupon at the back of this guide.

We'd like to thank the Devon Bicycle Association for sharing this race weekend and race course with us. Check out their race details here:

## Race Fees and Registration

The 2018 race fee remains at \$35! Volunteers race free.

Online registration closes Thursday October 11 at one minute to midnight. Registration can be found here:

<https://zone4.ca/reg.asp?id=18950>

Sorry folks, there will be no race day registration for sanctioned race categories.

The first 150 (or so) registrants will receive a limited edition United in Cross cowbell.

## Volunteers

We'd like to thank our race committee and race volunteers. As with any event, with no volunteers, there is no event. We can't do it without you!

Volunteers are needed to help with course set-up, act as course marshalls and help with event sign-on. If you are interested in volunteering, please register here:

[www.volunteersignup.org/4PMDI](http://www.volunteersignup.org/4PMDI)

Volunteers will receive a refund on their race fees, a limited edition United in Cross Cow Bell, lunch and our gratitude.

## Location

Voyageur Park in Devon, Alberta. From Highway 60, turn east on Athabasca Avenue, then North on Superior Street, West on Saskatchewan Avenue. The entrance to the park is down the hill and on the right.

Be sure to watch for pedestrians and cyclists in the area.

# Parking

There are two parking lots on site, the main lot and a new lot closer to the boat launch area to the west. Both of these lots have direct access to the course. When these lots are full, park up top along Saskatchewan Avenue.

# Regulations

All relevant ABA/CC/UCI regulations will apply.

Riders in the Sport Men, Expert Men, Open Men and Open Women categories must ride cyclocross bikes. All other racers (Novice Men and Sport Women) may use a mountain bike or cyclocross bike.

No doping (medical, mechanical or otherwise) is permitted. Dopers will be brought to the river and given a free entry to an impromptu endurance swim. They'll also be reported to the ABA for further action. We all hate dopers...enough said.

# Categories

The categories described in the table below will be recognized at Alberta Cup events. Riders begin competing in the Alberta Cup Cyclo-cross category corresponding to their respective Road or Mountain Bike XC category, whichever is higher.

Cyclo-cross Category	Corresponding Road Category	Corresponding MTB Category
Novice	Men & Women: U15, U17, Master 50+ Men Cat 5, Women Cat 4/5	Men & Women: U15, U17, Novice, Master 50+
Sport	Men Cat 4/5	Men & Women Sport
Expert	Men Cat 3	Men & Women Expert
Open Men	Men Cat 1/2, but open to all license holders	Men Elite, but open to all license holders
Open Women	All categories	All categories

Pro Tip: if this is your first ever race, sign up for Novice. That ‘Open’ category is very tempting...but it’s not the one for you!

## License Check and Sign-On

License check will open at 8:30 am and is located at the ABA tent.

All riders must sign on at registration on race day with a valid ABA or UCI license 15 minutes prior to category start time.

Single Event License (SEL) - Available \$10 on zone 4 with registration. Only allowed 2 SEL per year. Must race Novice/Citizen men or Sport/Citizen category women.

**Note that this race is not following standard start times!!! Racers are responsible for signing on at the appropriate time and lining up ten minutes before race start.**

# Race Numbers

Bring your ABA cyclocross body numbers. If you don't have them yet, you can get them at the race from the ABA.

Number placement is one body number centered lower back as low as possible and

two smaller numbers on each upper arm, facing forward.

You will also need to bring pins to attach your numbers. Four pins are recommended for each body number. A limited number of pins will be available on race day.

Racers are responsible for the proper pinning of their numbers. If the Commissaries cannot easily read your number, you may not get a result.

## Course Map

We are sharing a course with DBA again this year, so expect something exciting! This race will be held at Voyageur Park in Devon, Alberta (same as in 2017). The course will be subject to change, and last minute modification in the interest of rider safety.

Please check with the Commissaries for before pre-riding the course.

There will be one mechanical pit located at the north end of the east field, near the main parking lot.

## Team Tents

Teams are welcome to set up tents in the east field near the main parking lot.

# Awards

Awards will take place as soon as possible following the completion of each race (approximately 15 minutes afterwards) near the start/finish.

## First Aid and Medical Services

So you've got an ouchie. Or maybe something worse... here's what we need you to do:
