

Policy : Single Event Licenses

Single event licenses allow for non UCI-licensed riders to compete with holders of Alberta licenses or UCI-licenses in ABA "Provincial Sanction" races under the following conditions:

- A rider may compete with a Day License in no more than two events per calendar year, irrespective of cycling sport;
- Day-licensed riders are obliged to compete in entry-level categories only;
- Day-licensed riders may not compete in, and mass-start road or mass-start track events

Organizers of ABA Provincial Sanction races may offer Day License opportunities only by purchasing Commercial Event insurance. The ABA will collect a Day License fee of \$10 per rider per event.
